We also need fuel for our 15 passenger van which makes several trips per day from churches to the Day Center and to transport our guests to work, school, and medical appointments.

Our monthly newsletters have a current needs list as well.

Major Items

- > Furniture and household goods for our guests to assist them in establishing their new homes
- > Used vehicles in good condition for a guest in need of transportation.

HOW DO I DONATE?

If you have items you would like to donate, please send an email with POSSIBLE DONATION in the subject line. The email will be sent to the appropriate staff or volunteer for follow up. Provide a photo of furniture if possible. We have limited storage space and our volunteers can determine current needs and available storage space.
